EDUCATION

- Pursuing BE Mechatronics Engineering in Kongu Engineering College with 8.12 CGPA (Till 6th Semester)

- Completed HSC in Erode Hindu Kalvi Nilayam with 84.16 % in 2022

- Completed SSLC in Erode Hindu Kalvi Nilayam with 64.2% in 2020

AREA OF INTEREST

- 3D Desinging - Solidworks
- Micro Controller Programming
- Web Page Desiging - React

SOFTWARE SKILLS

- C Programming
- Java
- Solid Works
- HTML , CSS , REACT

CERTIFICATIONS

- Completed Course On PCB Design and Fabrication
- Completed Course On MATLAB
- Certified SOLIDWORKS Associate(CSWA)
- Completed Course On Ethical Hacking From IIT Kharagpur

ABOUT ME

Aspiring Mechatronics Engineer with a strong foundation in mechanical design, electronics, and software integration. Experienced in developing and optimizing automated systems through hands-on projects

PROJECTS

- E -Pole Fall Detection - Participated and Qualified to Regional Level in E Yantra Innovation Chalenge in 2023

PROJECTS PRESENTED

- Human Rescue Bot For Deep Borewell In National Science Day at IIC Kongu Engineering College
- Solid Manure Dispenser in POC at Kongu Engineering College

PAPER PRESENTED

- Revitalized Street Light In Throb 2023 at Kongu Engineering College

ACHIVEMENTS

- Received 1 St Price In Department Of AIDS in Kongu Engineering College For Project Presented On Title Solid Manure Dispenser
- Recieved 1 St Price in E - Horizon 2024 For Mech Inovatz
- Recieved 3 rd Price From SDC Club For CAD Crafting Event

LANGUAGES PROFICIENCY

- Tamil(Native Proficiency)
- Arabic(Read)
- English

HOBBIES

- Watching Sci-Fiction and Comic Movies
- Gaming
